

STAN KIMBROUGH

BASKETBALL CAMPS

I am a St. Joseph's High School graduate and a Xavier University graduate and hold a Bachelor's degree in Social Work. I have played basketball at all different levels (high school, NCAA, CBA, NBA and in Europe). I have also worked with kids. Both are an important part of my life and I have decided to combine them. I have organized many effective basketball programs. The programs concentrate on not only the physical skills of basketball, but also the mental skills.

My staff consists of present and former high school, college, and professional players that act as counselors, coaches, and role models. We look forward to working with your child.
