

## IHWC Rangers Youth Hockey 2019-20 Season Registration Terms

### **Parent, Player & Coach Code of Conduct:**

I have read the IHWC Rangers Parent and Player Code of Conduct, along with my player, and we both agree to honor the Player and Parent codes of conduct. If I am a youth hockey coach, I will act in the best interest of the Rangers youth hockey program and abide by the Coach Code of Conduct. The Player, Parent and Coach code of conducts are guidance for all participants, coaches and parents on/or associated with an IHWC youth hockey team for the 2019-20 season.

### **Lindsay's Law:**

I am acknowledging I have received and read the Lindsay's Law information overview on Sudden Cardiac Arrest.

### **IHWC Checking Clinics & Baseline Testing for 14U & older players:**

IHWC will offer two checking clinics that every 14U player will be required to attend before playing in League Games. Baseline testing is a measure of a person's balance and cognitive function prior to sustaining a concussion. I agree my 14U IHWC or older player to have a Baseline test done every year through a complimentary service provided to IHWC youth hockey program participants. This test is for all players who are of checking age. The Baseline test is available complimentary for any IHWC player under the age of 14U upon request to [Rangers@IHWinterClub.com](mailto:Rangers@IHWinterClub.com).

### **IHWC Rangers Youth Hockey Programming Fees:**

All current season youth hockey fees can be found on the IHWC member website under youth hockey. Fees for the 2019-20 season will be approved by the BOT and published by September 1, 2020. Current season fees are posted on line for reference. The IHWC Rangers youth hockey fees are non-refundable, but not limited to the following reasons: injury, illness, physical moves or the player desire to no longer participate in the sport. Season fees will not be prorated for any reason. Any player with delinquent fees will not be permitted to skate during IHWC ice times, unless otherwise agree upon with the BOT and GM. As a member, I understand that I am responsible for the payment of all youth hockey registration and programming fees. At acceptance of player's roster position (Squirt to Varsity), IHWC family will be charged a non-fundable fee of \$250.

### **Player Equipment Requirements:**

IHWC Rangers youth hockey requires full equipment for players of all age levels, including (but not limited to): skates, shin guards, pants, protective undergarments, shoulder pads, elbow pads, gloves, helmet, mouth guard, stick. IHWC Rangers game jerseys and socks are required for games. Players, coaches, parents and any participant in the IHWC hockey practices, Open Hockey sessions and IHWC Adult and Youth Games are required to wear a helmet.

### **Photo/Video Release:**

During the course of participation in the IHWC Rangers youth hockey, photographs and/or video of IHWC events may be taken that include you and/or your child(ren). IHWC reserves the right to use these items in press releases, brochures, publications, recruiting events, on our website, or social media, and/or in other ways to showcase and promote the many opportunities and programs offered by IHWC.

### **General Consent:**

By completing this youth hockey registration, I am indicating that I am the custodial parent/legal guardian of the child described in this registration. I further agree that my child and I will abide by all USA Hockey, Mid- Am District, Association rules and policies, Association Bylaws and the decisions of the IHWC Rangers youth hockey program.

All IHWC policies included on this Registration Terms Overview are published at:
