

IHC Rangers Youth Hockey 2019-20 Season Registration Terms

By completing and submitting my player's registration for the 2019-20 IHC Rangers youth hockey season, I am agreeing to the following policies and procedures.

2019-20 USA Hockey Registration: Every IHC Rangers player must have a 2019-20 USA Hockey number to register for the IHC Rangers 2019-20 season.

IHC Rangers Parent, Player & Coach Code of Conduct: I have read the IHC Rangers Parent and Player Code of Conduct, along with my player, and we both agree to honor the Player and Parent codes of conduct. If I am a youth hockey coach, I will act in the best interest of the Rangers youth hockey program and abide by the IHC and USA Hockey Coach Code of Conduct. The Player, Parent and Coach code of conducts are guidance for all participants, coaches and parents on/or associated with an IHC youth hockey team for the 2019-20 season.

Lindsay's Law: I am acknowledging I have received and read the Lindsay's Law information overview on Sudden Cardiac Arrest.

League Play: Each year we strive to have our teams playing at the highest compete level. For the 2019-20 season we anticipate IHC teams playing in Buckeye Travel Hockey League, Midwest Youth Hockey League, Cincinnati High School Club League and/or Independent. League placement will be determined following team formation.

IHC Checking Clinics & Baseline Testing for 14U & older players: IHC will offer two checking clinics that every 14U player will be required to attend before playing in League Games. Baseline testing is a measure of a person's balance and cognitive function prior to sustaining a concussion. I agree my 14U IHC or older player to have a Baseline test done every year through a complimentary service provided to IHC youth hockey program participants. This test is for all players who are of checking age. The Baseline test is available complimentary for any IHC player under the age of 14U upon request to Rangers@IHWinterClub.com.

IHC Return to Play for the 2019-20 Season: *Message from USA Hockey:* Player safety is the top priority of USA Hockey and changes have been made to the Concussion Management Program and Return to Play forms for the 2019-20 season. The form will be required starting with the 2019-20 playing season. The form can be printed and filled out, and then must be signed by a qualified medical provider. The parent and coach must then sign the form. It should be kept with the team coach or manager. USA Hockey is working on a system where the forms can be filed with the district player safety coordinator and USA Hockey can begin an injury database for concussion incidents. The data will be de-identified for privacy and HIPPA compliance. Beginning with the 2019-20 season, a new volunteer position called Player Safety Coordinator will be implemented in each district.

IHC Rangers Youth Hockey 2019-20 Season Registration Terms

IHC Rangers Youth Hockey Programming Fees: All current season youth hockey fees (and what is included in programming fees) can be found on the IHC member website under Youth Hockey for reference. Fees for the 2019-20 season will be approved by the BOT and published by late Summer 2019. Youth Hockey Fees for the 2019-20 season are billed in four installments in October, November, December and January. Team fees vary based on age, level of play and league. The IHC Rangers youth hockey fees are non-refundable, and not limited to the following reasons: injury, illness, physical moves or the player's desire to no longer participate. 2019-20 Season fees will not be prorated for any reason. Any player with delinquent fees will not be permitted to skate during IHC ice times, unless otherwise agreed upon with the BOT and GM. As a member, I understand that I am responsible for the payment of all youth hockey registration and programming fees. At acceptance of player's roster position on A1/A2 teams for 10U/12U/14U or High School teams, the player will be charged a non-refundable fee of \$250. 10U/12U/14U Rec/B team players will be charged a non-refundable fee of \$250 following team formation.

IHC Rangers Player Equipment Requirements: IHC Rangers youth hockey requires full equipment for players of all age levels, including (but not limited to): skates, shin guards, pants, protective undergarments, shoulder pads, elbow pads, gloves, helmet, mouth guard, stick. IHC Rangers game jerseys and socks are required for games. Players, coaches, parents and any participant in the IHC hockey practices, Open Hockey sessions and IHC Adult and Youth Games are required to wear a helmet.

Photo/Video Release: During the course of participation in the IHC Rangers youth hockey, photographs and/or video of IHC events may be taken that include you and/or your child(ren). IHC reserves the right to use these items in press releases, brochures, publications, recruiting events, on the IHC website, or social media, and/or in other ways to showcase and promote the programs offered by IHC.

General Consent: By completing this youth hockey registration, I am indicating that I am the custodial parent/legal guardian of the child described in this registration. I further agree that my child and I will abide by all USA Hockey, Mid- Am District, Association rules and policies, IHC Rangers Association program guidelines.

By completing and submitting my player's registration for the 2019-20 season with IHC Rangers youth hockey, I am agreeing to the aforementioned policies and procedures.
