Competition: Saturday April 22 at IHWC

Fee: \$235

Level Requirements: Snowplow Sam 1 - Basic 6

Included: 8 Classes (\$15, per class)
Music (\$35 value - no fee)
Competition Entry fee (\$80)
Competition day coach (\$35)

This class is a great way to try a skating competition with a total package and no hassles. Your skater will learn a solo routine to music along with other skaters that will compete at the same solo level. Included in your fee are the 8 classes to learn the routine, your entry fees for two events in the competition and your private coach during the competition. If your skater does not have skating attire to compete in, we will have a used dress sale before the competition to help find a skating dress and tights your skater may like to wear. They can also wear something simple from home, search the internet or check in Diana's Dancewear in the Kenwood area. Check with us before purchasing attire so that we can help you choose something appropriate for the event.
